

Technical datas

APPLE (*Malus domestica* Borkh.)

Red Delicious Spur

RED CAP® Valtod(S) (patent pending)

KIKU Ltd. owns the worldwide rights (except in the USA) on a new strain of Red Delicious with origin USA. We applied for the plant patent under the variety name „Valtod“, and trees are sold under the red cap® brand. Fruits can freely be sold with the denomination „Red Delicious“.

red cap® Valtod(S)-trees are planted in our testing fields in Girlan.
